

## Explanation of PowerSchool icons used by Tech Support

If you look up a student in PowerSchool you may see some icons across the top. The following icons are used by the technology department and can help you determine if a student has a technology restriction, a curfew, or an unpaid fine. Clicking on one of these icons will give you a little bit of information on what the restriction/fee is.

This icon means the student is not allowed to have a computer.

This icon means the student has restricted access to Internet sites.

This icon means the student is not allowed to use their school email.

This icon means the student's computer has a curfew time.

This icon means the student has an unpaid fine.
